Subject: three items for RA re EMDF
[Summary of EMWMF and EMDF water management 07 29 21 rev.docx](#)
[EMDF Wastewater Management text extracted from Proposed Plan.docx](#)
[Oak Ridge EMDF ROD schedule 7-29-2021 mngt version.docx](#)

Glenn,

I modified the wastewater paper to add the text highlighted in yellow. If that is acceptable, please remove the highlights. The other two documents are unchanged.

For a cover email to John,

Attached are the three items John requested:

1. Summary of water management at EMWMF and proposed EMDF
2. Excerpts from the EMDF Proposed Plan that include all mention of water treatment/water discharge
3. Schedule for approval of the EMDF ROD

Please note that TDEC maintains a public webpage regarding the Oak Ridge Reservation and regularly updates EMDF documents. The D2 FFS, EPA and TDEC comments on the FFS, and the D1 EMDF ROD are available on the webpage.
